TUCSON, Ariz. ([NewsNation](#)) — NewsNation discovered a blood trail leading from the front door of Nancy Guthrie's home Tuesday, the first visible evidence in the [disappearance of the 84-year-old mother](#) of "Today" show co-host Savannah Guthrie.

A [Ring doorbell camera](#) that had been mounted near the entrance was also missing, and Pima County Sheriff Chris Nanos said investigators are examining whether the perpetrator removed it.

No suspect in disappearance of Savannah Guthrie's mom: Sheriff

Ring camera missing from Nancy Guthrie's door

Nanos appeared at a news conference alongside FBI officials but provided fewer details than in previous updates, appearing more guarded about the investigation. Nancy Guthrie was last seen Saturday night.

Authorities acknowledged they are aware of reports about possible ransom notes but declined to confirm whether any demands are legitimate.

TMZ reported receiving a ransom note containing specific details about Guthrie's clothing and items inside the home, along with a dollar amount demand.

Authorities aware of ransom note reports but won't confirm legitimacy

"We are aware of reports circulating about possible ransom notes regarding the investigation into Nancy Guthrie," the sheriff's office said in a statement. "We are taking all tips and leads very seriously. Anything that comes in goes directly to our detectives who are coordinating with the FBI."

What we know about Nancy Guthrie, missing mom of 'Today' show host

Authorities said they do not have DNA evidence pointing to specific suspects and cannot determine whether the crime was random.

No suspects have been identified, and authorities said they do not know Guthrie's current location.
